Dear Sir:

DECLARATION OF ROSS T. ROBINSON

I, Ross T. Robinson, do hereby state and declare:

1. I am a registered patent attorney and I am employed by the firm of Jenkins & Gilchrist, P.C. This declaration is submitted in support of a Petition to Withdraw Holding of Abandonment in the above-referenced matter.
2. On or about March 20, 2003, I spoke via telephone with Examiner Kevin Williams of the United States Patent & Trademark Office ("USPTO"). Examiner Williams inquired of me whether the above-referenced patent application ("the application") had been intentionally abandoned and informed me that the USPTO had not received a response to an Office Action mailed on August 14, 2002 ("the Office Action"). I informed Examiner Williams that the application had not been intentionally abandoned and that the Office Action did not appear to have been received by Jenkins & Gilchrist. Subsequent to the telephone conversation of on or about March 20, 2003 between Examiner Williams and me, Examiner Williams sent a courtesy copy of the Office Action to me.

3. A search of the file jacket and docket record for the application do not indicate that the Office Action was ever received by Applicant's representative. Upon information and belief, the Office Action was never received by Jenkins & Gilchrist, P.C.
4. I have searched the file jacket and docket record for the above-referenced matter. The file jacket and docket record do not indicate that the Office Action was ever received by Jenkins & Gilchrist, P.C. A copy of the docket record for the above-referenced matter is attached hereto as Exhibit A.
5. Had the Office Action been received and docketed, the Office Action would have been entered in Applicant's representative's docket system as having been mailed on August 14, 2002, a response date of November 14, 2002 would have been entered in the docketing system, and one-month, two-month, and three-month extension dates of December 14, 2002, January 14, 2003, and February 14, 2003 would have been entered in the docketing system. No such entries are present for the application. See Exhibit A.
6. As of today's date, I have not received a copy of the Office Action, other than the courtesy copy of the Office Action referenced above.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
